GONDOLIER PRODUCT CODE: FAR010

MANUFACTURER CODE:

PRODUCT

**ADVANCED G-MATT FLATTING PASTE
500ML BOTTLE**

DESCRIPTION

When carrying out local repairs or blending in new paintwork, the use of a flattening paste ensures a more even key over the panel. It also helps prevent deep scratches or tramlines, which can sometimes show through the clear coat. The advanced G-Matt range offers the user an innovative solution to common preparation problems.

FEATURES AND BENEFITS

Creates an even matt finish. Does not stain mouldings or trim. Contains detergents to remove wax and traffic film. Reduces the amount of effort required. Maximum efficiency. Easy removal from panel (extremely quick when used with the Farecla finishing cloth.) Is easy to apply and clean off.

FOR USE ON:

OEM paintwork.

REMOVES:

Acid rain; dirt; dry spray; fish eyes; orange peel; overspray; pinholing; runs; sandscratch swelling; scratches and water spotting.
