Farecla Dark Glaze

Gondolier Code: FAR055

Manufacture Code: FGD - 1050

Product: Dark Liquid Glaze

Description:

A final finishing glaze for minor scratches and swirls.

Gives the ultimate showroom finish that is durable as well as breathable.

Features & Benefits:

For darker coloured vehicles. Exhibits water repellent properties. Allows the paint to breathe if not fully cured. Brings the colour back to discoloured paint. Provides a high gloss finish quickly. Surface can be cleaned straight after application. For hand or machine application. Takes less time to finish the job and therefore saves time and money.

For use with:

Advanced G Mop Polishing Foam (2pk)

Advanced G Mop Back Plate

Advanced G Mop Finishing Cloth
